1962

*We the seniors of 1962
humbly dedicate this
annual to our sponsors*

Mr. Karl Steakley

A time to work, a time to play, and Mr. Steakley watches the clock. Learning is obtained at a fast pace under Mr. Steakley, but not at the expense of a dull classroom. Wit is a major asset to his personality, at the same time being a definite contribution to his teaching ability, for through wit comes reason, and through reason knowledge, that elusive substance that he pounds into our brains so well. Good humor and dedication sum up this man, who as one of our sponsors has helped pull us through these high school years.

*Best wishes
for a happy and
successful future
Karl Steakley*

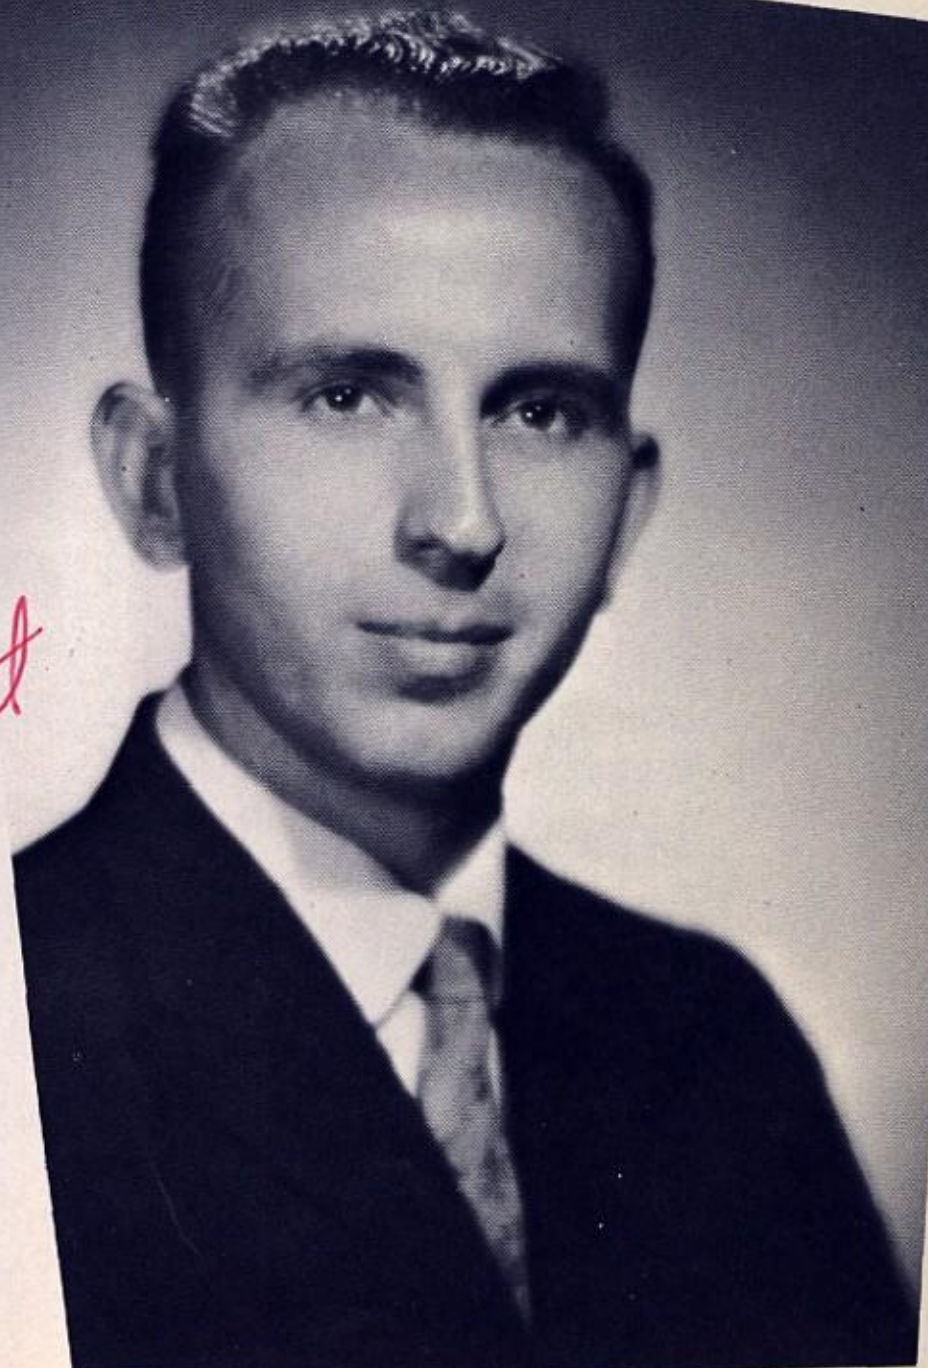

Mr. Fred Covington

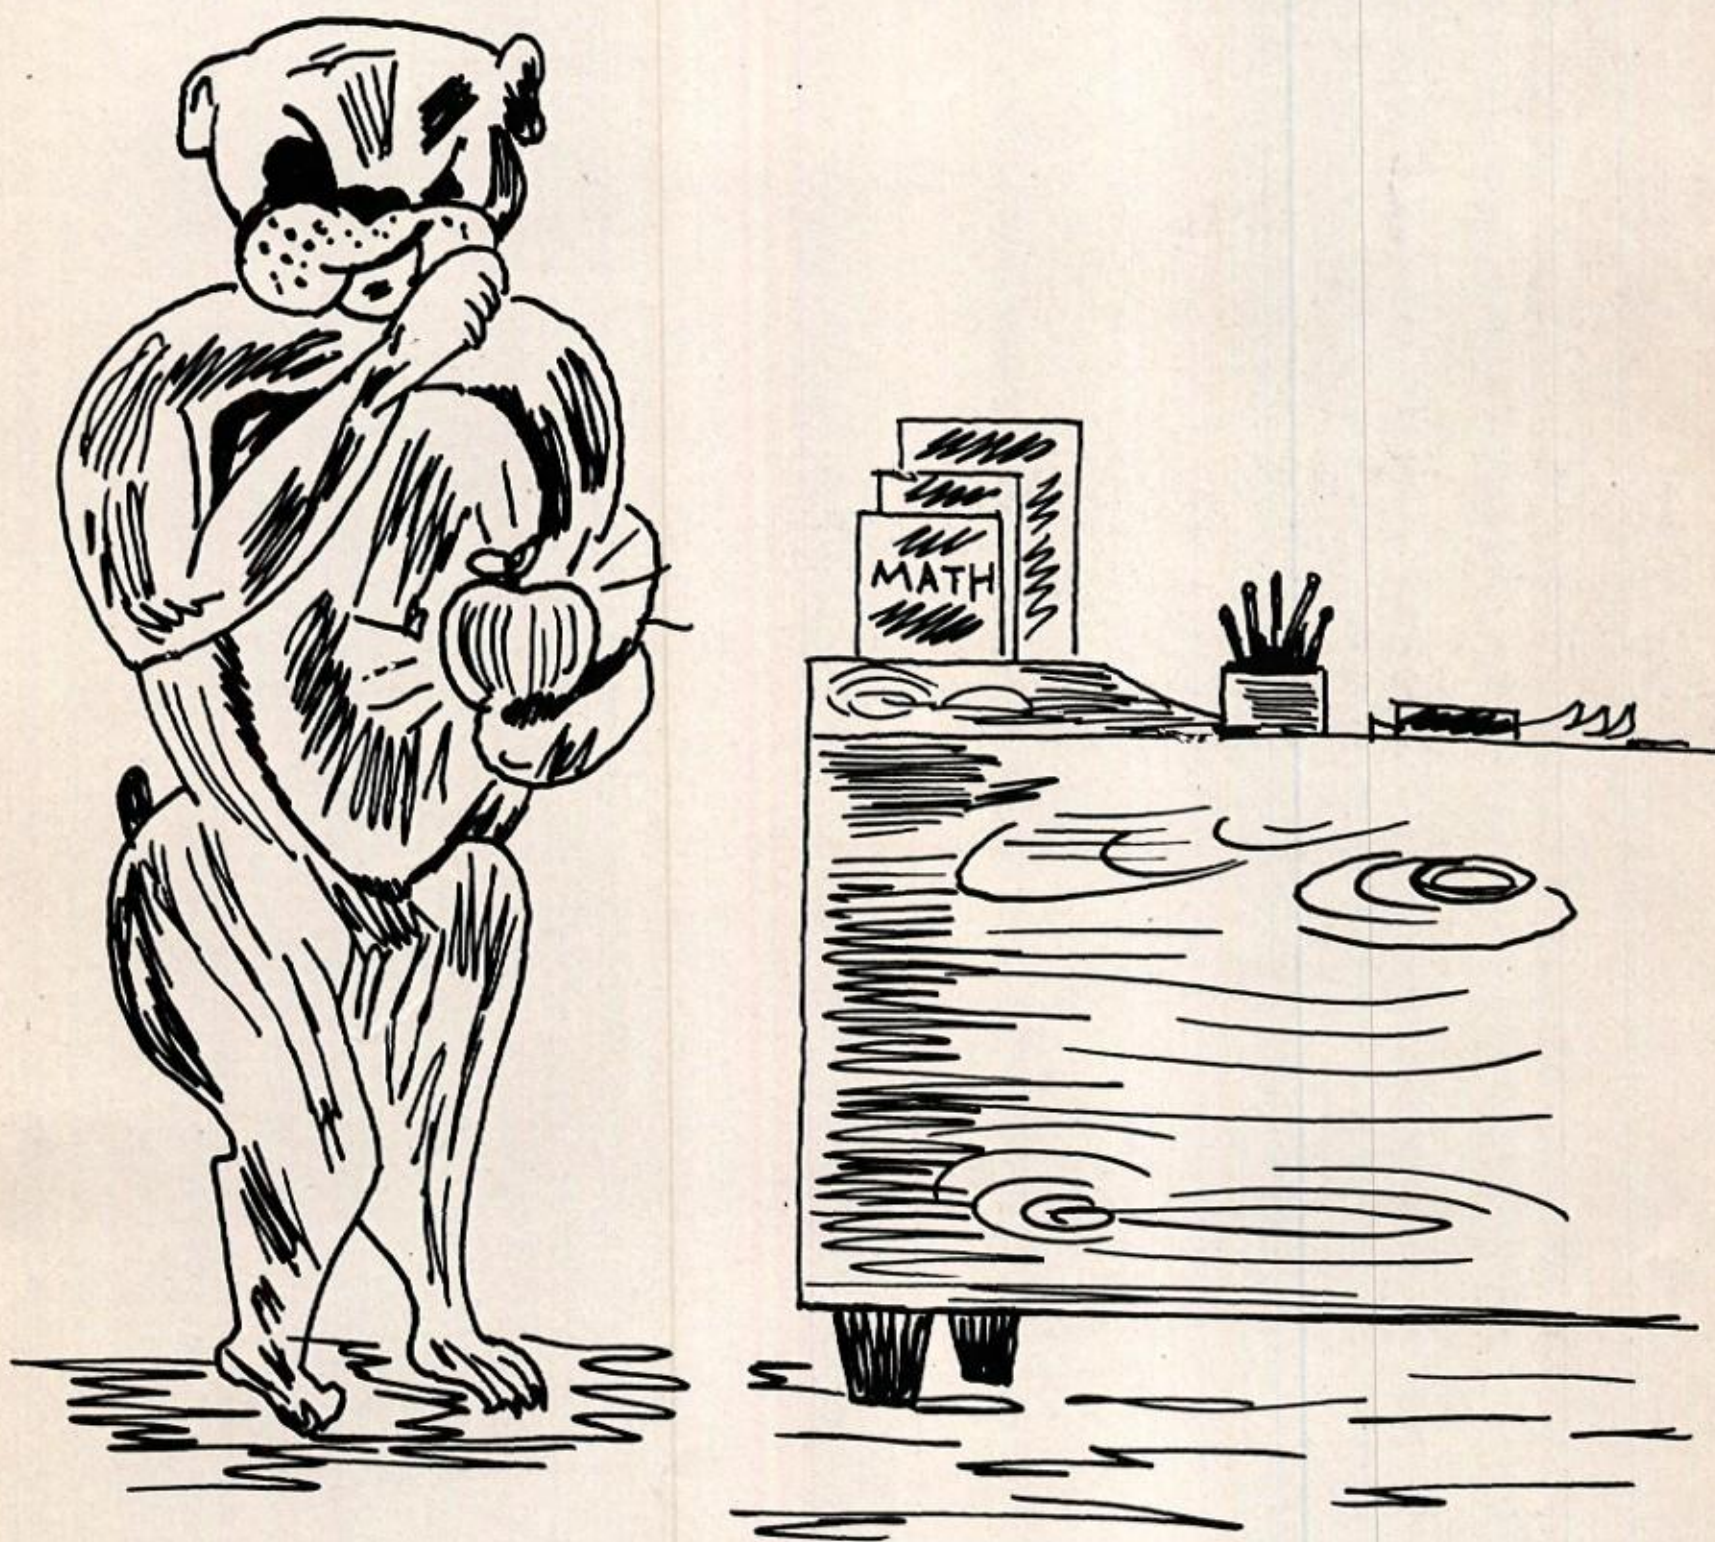

"A teacher affects eternity; he can never tell where his influence stops." Henry Brooks Adams

Many words could be used to describe Mr. Covington, but few are so apropos. His energy and determination have distinguished him as an outstanding leader and teacher in our school. But basically the major influence Mr. Covington has had, is that he instills in his students an urge to learn, to seek, to search for knowledge. This above all is most important, for a teacher can not hope to teach all there is to know to a student, but if he is able to inspire him to further investigation, he can well be proud of the job he has done.

*Pat,
you can go far because you have
the ability. Good luck to you in
all of your endeavors. I'll never forget
you.
Fred Covington*

Seniors

Pat,

Boy we have had some good times together stupid but fun. I will always remember Prom night and the nights over the Skylinder.

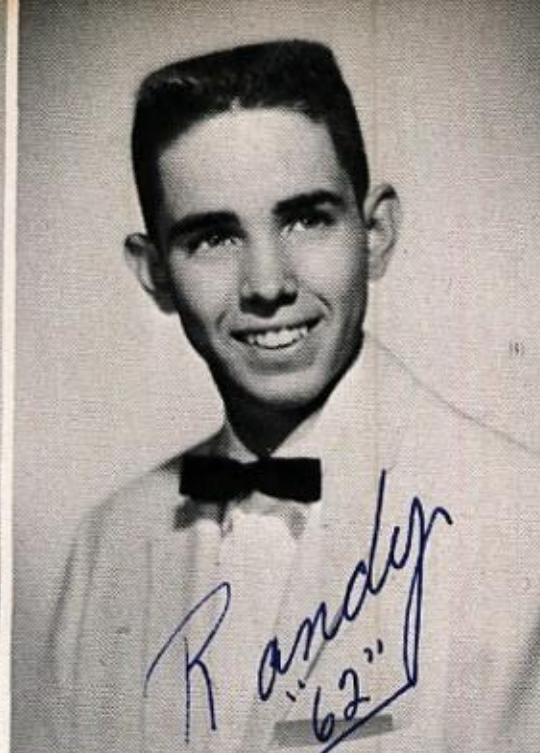

I sincerely wish you the very best of luck possible to a great girl whose personality sparkles -
Love,
Leis

This has been the Senior High Glee Club's most successful year. We have done some things never previously attempted at this school.

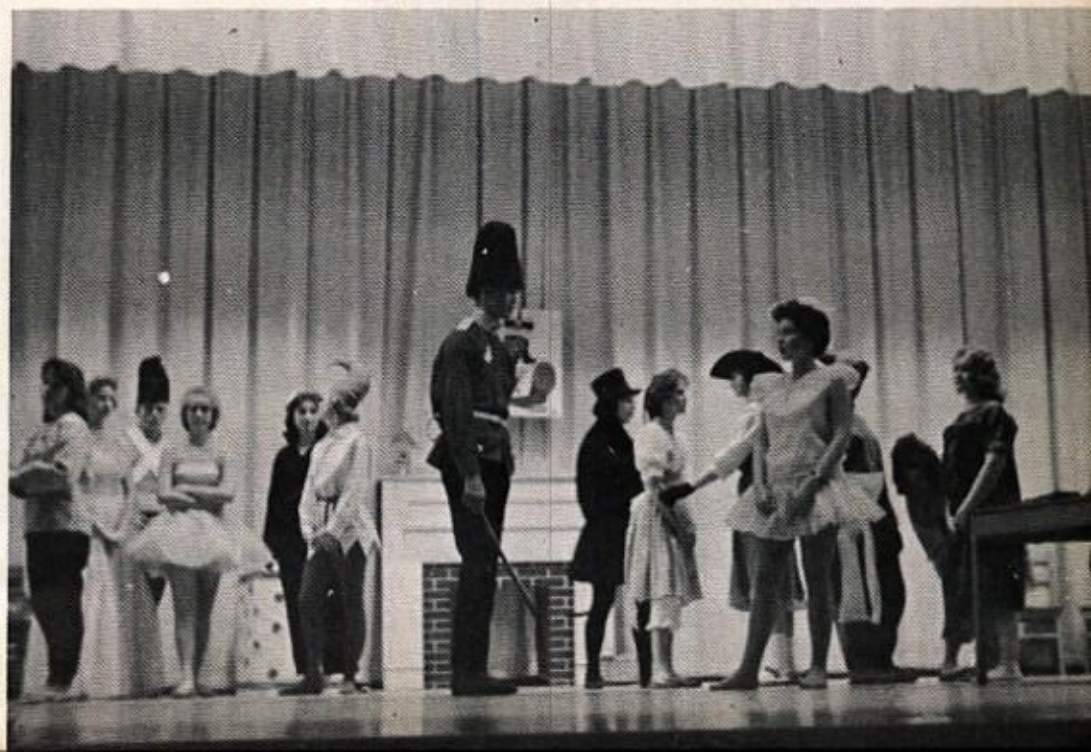

Our energetic chorus decided to produce an operetta, entitled THE TOYMAKER. After many wearisome practices, we presented it and, to our satisfaction, it was well accepted and praised. In doing this production, we not only improved our singing ability, but gained self-confidence by appearing before a large audience.

THE TOYMAKER is proof of our striving for a greater variety in academic excellence. Another proof of this is our trio, which we are all proud of, for we well-know they are enjoyed by all. All-State Chorus is another function where we have been honored to represent our school.

All in all, it has been a year of hard work, fun, and early lunches.

"Candlelight Initiation"

The basic use of the Beta Club is that of recognition of high scholastic ability and good moral character. In addition to this, the Beta Club carries on several projects during the year. This year the main project of the Beta Club is to landscape the campus, added to this was our Christmas project of food baskets for the needy. All in all the principal aim of the Beta Club is to promote better citizenship through useful projects and an incentive for good grades.

SMYRNA HIGH LANGUAGE CLUBS

Having a newly equipped language laboratory, the language clubs had their responsibilities augmented by the need for classroom materials. The Spanish Club bought new records for the laboratory. These, along with full co-operation with the teacher, has broadened the language department of our high school.

Miss Peyton, our new language teacher, by using modern techniques of language training used the facilities at her command to the best interest of her students. She combined a program of oral teaching with a system that used the recorded lessons. This program led to the proficiency of the students in SPEAKING a foreign language. In our modern school, this should be the aim of all language courses.

This year for the first time the Parent-Teachers' Association incorporated students into its membership. Each student was given a specific office or position, just like the offices and positions that the parents and teachers hold. The purpose of this was to have a student work with his counterpart so that a better working organization might exist, to benefit all.

This year has been an exceptionally busy one for the Smyrna High School Science Club. Once again, in conjunction with the Rutherford County Courier, our Club put on the annual Rutherford County Science Fair. During the months of January and February the science lab was continually in use, as students put the final touches on their projects. We, the members of the Science Club, would like to take this opportunity to thank Mrs. Richards and the other science teachers who were so helpful to us not only with our projects, but in all our science activities throughout the year.

Class Prophecy

Date: 1972

Place: Smyrna, Tennessee

Mr. Covington has just arrived back in Smyrna from his ten year honeymoon trip around the world. He pulled over to the curb to buy a newspaper from a not-too-bright looking newsboy who turned out to be JOHN STONE. John almost didn't recognize Mr. Covington who was sporting a new red mustache. Mr. Covington, recognizing John immediately, inquired as to where he might get a square meal in Smyrna. John assured him that the best food was served at the Parrot Cage, owned and operated by none other than JUDY PARROTT. John informed Mr. Covington that Judy was a tremendous success in the restaurant business as she didn't eat up any of the profits----she always had her foot in her mouth.

Mr. Covington then motors to the restaurant where Judy greets him with open arms and informs him that many of his old students of 1962 are in and around Smyrna. Judy has four of his old students employed at the restaurant. SONNY CARTER got his early restaurant experience at Nix's and is now employed as head dishwasher. The waitresses are: LINDA SCHLAMP, BECKY WARREN and SANDRA THONE. Mr. Covington then asks Judy if the face of the chief-of-police who just walked in wasn't familiar and Judy said it was none other than JIMMY McGOWEN. Jimmy came over to talk with his favorite old teacher and told him that two other of his old students were on the police force. They were CHARLES VANCE and JERRY YERKES. Jimmy also told Mr. Covington of the rapid growth of Smyrna. Actually now Smyrna has a population of 15,000 and has added many services for its citizens. One of the new services afforded them is a new garbage disposal. Chief Garbage Disposalman is KENNEY FERGUS. Other garbage truck drivers are FRED FINLEY, LARRY HOLLOMAN, and RAY LUND.

"Oh, and by the way," Jimmy added, "guess who the new mayor is?" "When I left it was Sam Ridley," said Mr. Covington.

"Well, now it's EARL SMITHSON. Some others on the city council are RODGER DUGAN, DOYLE SHORT, JIMMY WAGGONER, and RANDY AKIN." This was almost too much for Mr. Covington to take so he ordered a second cup of coffee and opened the newspaper to become better informed of happenings around Smyrna. On the front page of the paper in bold type was "County Court Meets". County Judge GARY CURTIS presided over the Rutherford County Quarterly Court in the rendering of many important decisions for the benefit of many Rutherford Countians. The court

appointed CAROLYN ROBINSON latest courthouse stenographer. Another office filled by the court is that of county Dog Catcher, DAVID TUCKER. Also on the front page were the headlines, "Johnson sends Lee to Cuba," "President Johnson informed the press today that his chief diplomat, LARRY LEE, was being sent to Cuba to either negotiate a more peaceable settlement to the U.S.-Cuba situation or inform Mr. Castro that we will send hatchet-man JOHNNY ROSS over to get the job done more quickly. To accompany Mr. Lee on the trip are MARVIN VINCION and JESSE VAUGHN, another one of Johnson's top aides," the paper stated.

Much to Mr. Covington's surprise, another ad also stated that HENRY STANFIELD won the Mr. America Contest. Also advertised on the second page of the paper was a new business opened by ERNESTINE SMITH. It was a new turtle riding school. Miss Smith learned the art of turtle riding in Sarasota, Florida, where she has resided for the last eight years. She says she would love for all of her old friends to come by and get in on the fun. Another ad on the same page was "Drop by the Dare Dip for cold hamburger." The Dare Dip is now owned and operated by BARBARA WESTMORLAND. Her present-time waitresses included PAULETTE THOMAS, BETTY SUE TUCKER, and SUE BLAIR.

Mr. Covington then turned to the Society Page on which he found many announcements concerning the many citizens of Smyrna. Among them was the article: Mr. and Mrs. Anthony announce the engagement of their daughter MARGARET to COL. PAUL BRITTAIN of the United States Army. A Lonely Hearts Club was organized for those in the Smyrna area. The first meeting of the Lonely Hearts Club met at the Masonic Hall and the following officers were elected: President-ALLEN WARRICK; Vice-President-CONNIE MITCHELL; and Secretary-Treasurer-BERT WAKELEY.

The highlight of the year of social gatherings in Smyrna was the WILLIAMSON-BRINK wedding. Miss Brink wore a lovely pair of blue bermuda shorts, trimmed with scarlet lace. Mr. Williamson was attired in a pair of dungarees and matching jacket. The best man at the affair was RALPH MULLINS. The Bridesmaids were BETTY SANDLIN, NATALIE VALLAS, BARBARA GREEN, LINDA COOK, LINDA WILLIAMS, and MELVINA BENYON. Ushers were JERRY CONOVER, HARRY PAUL and CHARLES THOMPSON.

Next Mr. Covington turned to the Sports

Page where many events were taking place between athletes of Smyrna. DEAN MERRITT, now doing a high dive is working with Ringling-Brothers Barnum and Bailey circus. His speciality is doing a 200 ft. dive into a five gallon bucket of water without spilling a drop. To accomplish this feat one must use his head! The heavy weight champion of the world, PAUL "Pokey" HOAKES, is scheduled to defend his title against WAYNE "GARGANTUA" SHIER, the well-known challenger. This fight will be fought with a no time limit, no disqualification. The referee is the much respected official BILLY "HONEST" BERNAL.

Smyrna girls star for Track Team: RITA ANN JOHNSON and RITA R. JOHNSON. Rita Ann is the famous shot put artist; Rita Raye's speciality is the 100 yard dash; other members of the Old Class of '62 on the track team are LOIS KILGROW-high jump; ANN MADDLE-broad jump; and SHARON CUMMINGS-pole vault.

Mr. Covington continued to thumb through the paper till he came upon the odds, ends and ads. On page ten he saw a dime a dance parlor known as DeLacy's Dive owned and operated by DONNA DELACY, located in the old Golden Camel Building. Ten of the most beautiful chorus girls in the history of show business were employed here. ANNE OGAN was featured as the "Twist" specialist. The other members of the chorus were ADELENE BREWER, BARBARA ADAMS, JUDY DAVIS, PAT DAWSON, BILLIE EPPS, PAT HUNTER, SHERLENE OATLEY, and RITA PARKER. The highlight of the evening's entertainment is GENE JUDD and JUDY JOHNSON doing the "Charleston."

Also located on page ten is the announcement of Mr. "Mac's" hiring of four new teachers. Mr. "Mac" states that Miss Gentry has accepted a position at the University of Minnesota and she recommended that her position be filled by her favorite student "BUTCH" CUNDIFF, although SUZANNE BERRY had been given due consideration for the position by Miss Gentry. In the final analysis "Butch's" pleasing personality won out over Berry's and she had to teach the first grade. CHARLES YOUNG is teaching first and second grade Music, and MARILYN CHATFIELD has a position in her favorite field, boy's physical education.

Mr. Covington glances at the bottom of the page and almost falls out of his chair. RODNEY BAKER is in the pen for six months while attempting to write a book entitled WHAT PRISONS AND SCHOOLS HAVE IN COMMON. Warden RONNIE

BINGHAM of the State Pen made the announcement that the chief guards, FRANKLIN JOLLEY and JIMMY MALLONEE would aid Baker in obtaining the background material for his book.

Just as Mr. Covington was putting his paper down, in walked his old friend, DELORES KILGROW. She greeted Mr. Covington and came over to chat. Mr. Covington asked if she could fill him in on the location of some of his other students. She informed him that BECKY RUSSELL was in Hawaii looking for a husband. MARY JANE PRICE had married SPENCER SHIPLEY. She also said that BARBARA MOELLER and LOWE McCRARY were both teaching English at Smyrna. SUE CORNWELL had just finished writing a song known as "Tom, the Bomb." VICKI PARKER was now a well known cheerleading instructor at Ohio State. At the present CHERYL WORLEY has given up cheerleading for a position coaching football. VIRGINIA HOOVEN was still at Smyrna High taking high school English courses under the instruction of Lowe McCrary. LADDIE MAWERY and PAT PATTON had just announced their engagement. BEA ASH finally convinced "COON" VICTORY that they should elope but "Coon's" mother had the marriage annulled. JANIE SMITH is now an airline hostess for T.W.A. and ALANA BOLDMAN is modeling for Playtex. JERRIE PAIR is in New York modeling new hairstyles for women -- crewcuts. JACKIE MORTON also employed by the same company, is modeling the latest styles for men - ponytails.

KATHY WALKER runs a service station on Main Street and this is one of the chief-of-police's, JIMMY McGOWEN, favorite hangouts. BOB ANDERSON and KATHY WEATHERBEE are married and have a thriving funeral home business. They have a big neon sign out in front saying "Come In And See About Our Lay-a-way Plan." JERRY MURPHY is now a boxing instructor at Central High School in Nashville.

GARY SLUSHER now has a job as a barker with the world's largest carnival. Mr. Covington was amazed at the many occupations and happenings of his old students, but the worst was yet to come. THELMA WORTHAM had become a card shark in Las Vegas and CHARLES "SKIP" RICHARDSON had become a gambler on a river boat that sails the Mississippi River.

This being all too much for Mr. Covington to hear-- jumping into his car, and speeding away, he vowed never to return again.

Pat -
This has been some year and I've made several new friends but I doubt that I'll ever forget you. Now that can be taking taken many ways but (I only mean it three or four ways!) Seriously tho, I think you're so much fun and you have a great sense of humor something I think everyone should have. If I else your expressions be happening at the moment. (Thank goodness you aren't my enemy!!!) All in all, I'm so glad we got to know each other better --- 3!

Pat:

Good luck and best wishes to a real sweet girl. I have enjoyed attending classes with you. May you always have the best life has to offer.

Best Wishes,

Adeline

Pat,

Well, we've finally made it! It seems a long time since we first met each other in the fifth grade. It's really been a blast, hasn't it. I'll always remember all the fun we've had in these past years, and how good a friend you've been. I'll hope we'll be good friends for many more years to come.

Pat,

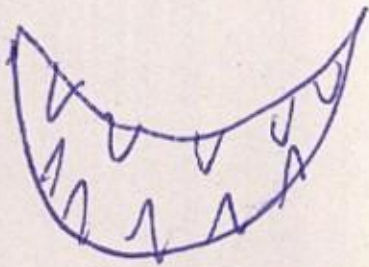

To my best buddy! Remember ^{cont. next page} always the many good times we have had together, sleepover parties, riding around, etc. They've all been great. I hope our friendship will last for a long time to come. Be good this summer and take care of Jerry, (if he ever gets home.)

Love you!
Luzanne

Pat.

Best of luck to a
yal sweet girl. Sure
have enjoyed going to
school and knowing you
this summer.

Take care of Jerry.
Love ya'll
